Prayer: Lord's Prayer

Starter: If you were given £1,000 what would you do with it?

Learning objectives:

To understand the Church's teaching on Christian Stewardship, that is our responsibility to give to God's work through His Church.

Core Activities and Learning

1. Leader explains the biblical teaching in Resource Sheet 52.
2. Students complete the Word Search on Activity Sheet 52. There are 13 words to find and these are all mentioned on Resource Page 52.
3. Leader splits the students into two groups, A and B. Group A is tasked with listing those things that stop people from being generous. Group B is tasked with listing those things that help a person to become more generous. Both groups should consider spiritual issues, but especially Group B.
4. After about 15 minutes, the Leader asks each person in Team A to state ONE obstacle to generosity. Volunteer(s) from Team B then say which of the principles on that list addresses that issue. The points are declared and addressed one at a time between the two teams. The Leader should ensure that the spiritual issues are addressed.

Resources: Resources Sheet 52, Activity Sheet 52, pens / pencils.

Review: Giving to God's work through His Church should be a priority when a Christian household plans its expenditures. We give out of what God gives us so that the Church's work might be strengthened and developed.
