### **St Augustine's quotes**

- 1- Since love grows within you, so beauty grows. For love is the beauty of the soul."
- 2- It is not from your own goods that you give to the beggar; it is a portion of his own that you are restoring to him. The Earth belongs to all. So you are paying back a debt and think you are making a gift to which you are not bound.
- 3- "Faith is to believe what we do not see; and the reward of this faith is to see what we believe."
- 4- "What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like."
- 5- "He who created us without our help will not save us without our consent."
- 6- "Pray as though everything depended on God. Work as though everything depended on you."
- 7- "Find out how much God has given you and from it take what you need; the remainder is needed by others."
- 8- "God is not what you imagine or what you think you understand. If you understand you have failed."
- 9- "Miracles are not contrary to nature, but only contrary to what we know about nature."
- 10- You have made us for Yourself, O Lord, and our heart is restless until it finds its rest in You.
